

Welcome our Distinguished Guests

Mr. Grzegorz Goral, Mr. Slawomir Bydon

and Mr. Krzysztof Golab

to visit us.

Company Profile

- ✧ Professional designer and manufacturer of AC Drives
- ✧ National High-tech Enterprise
- ✧ With independent property rights
- ✧ Top exporter of AC drives in China
- ✧ Solution provider in industrial automation

KE200

Power range	3AC 220~240V \pm 15% 2.2-75KW; 3AC 380~440V \pm 15% 4-300KW
Control mode	V/F, sensorless vector control, close-loop vector control
Overload capacity	150% 60s, 180% 10s, 200% 3s
Start torque	0HZ/ 200% (close-loop); 0.5HZ/150% (sensorless)
Applications	Paper making industry, Elevator, Hoisting equipment, Printing and packing industry, Metallurgical industry, Metalworking industry, Food processing industry and other high-end applications

KE300

Power range	1AC 220~240V±15% 0.4-2.2KW; 3AC 220~240V±15% 0.4-75KW; 3AC 380~440V±15% 0.75-1200KW; 3AC 660~690V±15% 15-630KW
Control mode	V/F, sensorless vector control, torque control
overload capacity	150% 60s, 180% 10s, 200% 3s
Start torque	0.5HZ / 150% (sensorless)
Applications	Pumps & Fans, Washing industry, Machine tool equipment, Printing and packing industry, Wood working equipment, Air compressor, textile equipment and other medium-end applications

Applications

Oil industry

Sugar mill

Municipal project

Mining

Injection Molding machine

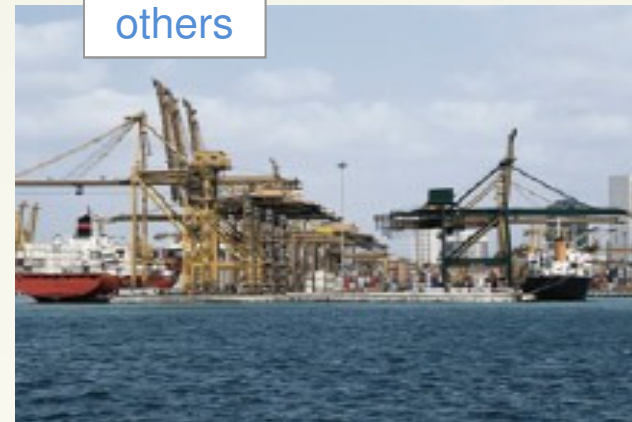

Cement industry

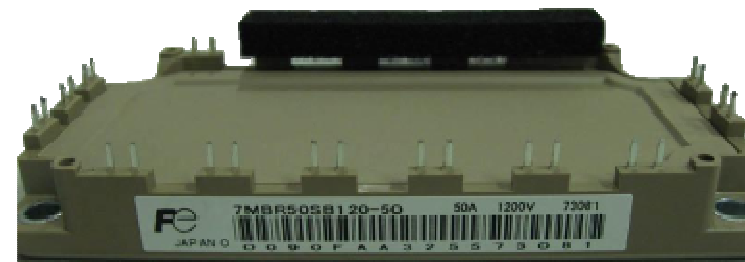

textile

others

Inside of MICNO drives

<55kW

Nidec
All for dreams

≥55kW

 **PELKO Motors**[®]

Key component	Manufacturer
Electronic materials	Japanese  & Japanese 
Optocoupler	 & 
Hall sensor	Japanese 
Capacitors	 (World-class brand in China)

Quality Control

R&D test

Board test

IQC

Aging test

Loading test

Why is MICNO

Market
proved
products

Exported to more than **30** countries worldwide, running stably.

According to our statistics, the total failure ratio is less than **0.5%**

Our drives are accepted by high-end markets like **America, Brazil, Russia, South Africa, Holland, Australia** etc.

Products Supply

Production Capacity

0.4~55kW
4000 sets monthly;
Others
1000 sets monthly

Lead Time

300 sets within
7days;
More than 300
sets within
15days

Customized Design

MICNO provides
customized
design for special
applications

micno is ready !

Are you ready?

Thank you!

MICNO always aim to be your mutual benefit partner and professional drive solution provider.
